Shared Folder View

Users can share a folder with a specific group or with everyone. Choose the shared folders you would like to see in the "Shared With Me" section of the folder list.

You can manage your group memberships [here](#).

Which group's folders do you want to see?

- ☐ None ☐ All that I belong to ☐ Selected

ATOL team

TwoTwo

Virus Study Group

☒ I also want to see folders that are shared with everyone
